***“A WING AND A PRAYER”***

As we celebrate Israeli Independence Day during May we are excited to bring you a special Movie Night presentation. This documentary tells the virtually unknown story of World War II aviators who raced against the clock in 1948 to prevent a second Holocaust. “A Wing and a Prayer”, narrated by William Baldwin, features firsthand accounts of daring escapes and heart-pounding action from operation leader Al Schwimmer. This amazing adventure is told by those who actually were part of the team. It’s a real treat and very timely. Lively discussion will follow.

Yes, refreshments will be served. Mark your calendars May 4<sup>th</sup>
